While under supervision in the Eastern District of North Carolina, the defendant shall further abide by the rules and regulations of the NCE Sex Offender Program.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

David Claude Townsend was released from custody on January 11, 2012, at which time the term of supervised release commenced. On December 5, 2012, Townsend tested positive for the use of cocaine. When confronted, the defendant admitted he had used cocaine a few times. He was verbally reprimanded for this behavior and advised that his upcoming drug test on January 16, 2013, may also be positive. This test was confirmed positive and Townsend was referred for substance abuse treatment. His frequency of testing was also increased. In addition to these actions, the probation office respectfully requests that his supervision conditions be modified to include the DROPS condition. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. While under supervision in the Eastern District of NC, the defendant shall participate in the DROPS Program and, in response to detected illegal drug use, shall be confined in the custody of the Bureau of Prisons for a period not to exceed 30 days of intermittent confinement, as arranged by the probation office, in the following increments: First Use - Two Days; Second Use - Five Days; Third Use - Ten Days.
